

# HAGANTA BREMA BANGUN

Information System Student

## PERSONAL BACKGROUND

I am a final year student looking for entry-level experience. I have developed analytical skills both in business and technical region, as well as communication and leadership skills through my experience in many committees and voluntary works. I am motivated to learn new skills and to work with other people. I am now looking to develop my skills to prepare myself in professional work.

## ACHIEVEMENTS

- Selected as participant of Telkom Digital Talent Incubator specialized in Android Development.
